

Public reporting burden for this collection of information is estimated to average 710 hours per response in the first year, 539 hours per response in the second year, and 536 hours per response in the third year. This includes the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. Reporting of this information is mandatory and is required by the Labor-Management Reporting and Disclosure Act of 1959, as amended, for the purpose of public disclosure. As this is public information, there are no assurances of confidentiality. If you have any comments regarding this estimate or any other aspect of this information collection, including suggestions for reducing this burden, please send them to the U.S. Department of Labor, Employment Standards Administration, Office of Labor-Management Standards, Division of Interpretations and Standards, Room N-5605, 200 Constitution Avenue, NW, Washington, DC 20210.

INSTRUCTIONS FOR FORM LM-2 LABOR ORGANIZATION ANNUAL REPORT

GENERAL INSTRUCTIONS

I. WHO MUST FILE

Every labor organization subject to the Labor-Management Reporting and Disclosure Act, as amended (LMRDA), the Civil Service Reform Act (CSRA), or the Foreign Service Act (FSA) must file a financial report, Form LM-2, LM-3, or LM-4, each year with the Office of Labor-Management Standards (OLMS) of the U.S. Department of Labor's (Department) Employment Standards Administration. These laws cover labor organizations that represent employees who work in private industry, employees of the U.S. Postal Service, and most Federal government employees. Labor organizations that represent only state, county, or municipal government employees are not covered by these laws and, therefore, are not required to file, except that any "conference, general committee, joint or system board, or joint council" that is subordinate to a national or international labor organization is a labor organization under the LMRDA and is required to file a financial report if the national or international labor organization is a labor organization engaged in an industry affecting commerce within the meaning of section 3(j) of the LMRDA. If you have a question about whether the labor organization is required to file, contact the nearest OLMS field office listed at the end

of these instructions.

II. WHAT FORM TO FILE

Every labor organization subject to the LMRDA, CSRA, or FSA with total annual receipts of \$250,000 or more must file Form LM-2. The term "total annual receipts" means all financial receipts of the labor organization during its fiscal year, regardless of the source, including receipts of any special funds as described in Section VIII (Funds To Be Reported) of these instructions. Receipts of a trust in which the labor organization is interested should not be included in the total annual receipts of the labor organization when determining which form to file unless the trust is wholly owned, wholly controlled, and wholly financed by the labor organization.

Labor organizations with total annual receipts of less than \$250,000 may file the simplified annual report Form LM-3, if not in trusteeship as defined in Section IX (Labor Organizations In Trusteeship) of these instructions. Labor organizations with total annual receipts of less than \$10,000 may file the abbreviated annual report Form LM-4, if not in trusteeship.

NOTE: *Certain labor organizations are required to file Form 990, Return of Organization Exempt from Income Tax, with the Internal Revenue Service (IRS).*

The IRS has accepted a copy of the labor organization's Form LM-2 in the past to provide some of the information required by Form 990. See the instructions for the current Form 990 for details. Filing Form LM-2 with the IRS does not satisfy the labor organization's reporting requirement with the U.S. Department of Labor.

III. WHEN TO FILE

Form LM-2 must be filed within 90 days after the end of the labor organization's fiscal year (12-month reporting period). The law does not authorize the Department to grant an extension of time for filing reports. The penalties for delinquency are described in Section VI (Officer Responsibilities and Penalties) of these instructions.

If the labor organization went out of existence during its fiscal year, a terminal financial report must be filed within 30 days after the date it ceased to exist. See Section XII (Labor Organizations That Have Ceased to Exist) of these instructions for information on filing a terminal financial report.

IV. HOW TO FILE

Form LM-2, and Form T-1 Trust Annual Report as described in Section X (Trusts in Which a Labor Organization is Interested) of these instructions, must be prepared using software obtained from the Department and must be submitted electronically to the Department. Information on obtaining the software is available at <http://www.olms.dol.gov>. A Form LM-2 and T-1 filer will be able to file a report in paper format only if it asserts a temporary hardship exemption or applies for and is granted a continuing hardship exemption. Forms LM-3 and LM-4 may be prepared and submitted electronically but it is not required.

A detailed user guide is included with the electronic filing software.

HARDSHIP EXEMPTIONS

A labor organization that must file Form LM-2 or T-1 may assert a temporary hardship exemption or apply for a continuing hardship exemption to prepare and submit the report in paper format. If a labor organization files both Form LM-2 and Form T-1, the exemption must be separately asserted for each report, although in appropriate circumstances the same reasons may be used to support both exemptions. If it is possible to file Form LM-2, or one or more Form T-1s electronically, no exemption should be claimed for those reports, even though an exemption is warranted for a related report.

TEMPORARY HARDSHIP EXEMPTION:

If a labor organization experiences unanticipated technical difficulties that prevent the timely preparation and submission of an electronic filing, the organization may file Form LM-2 or T-1 in paper format by the required due date. An electronic format copy of the filed paper format document shall be submitted to the Department within ten business days after the required due date. Indicate in Item 3 (Amended, Hardship Exempted, or Terminal Report) that the labor organization is filing under the hardship exemption procedures. Unanticipated technical difficulties that may result in additional delays should be brought to the attention of the nearest OLMS field office listed at the end of these instructions.

Note: *If either the paper filing or the electronic filing is not received in the timeframe specified above, the report will be considered delinquent.*

CONTINUING HARDSHIP EXEMPTION:

(a) A labor organization may apply in writing for a continuing hardship exemption if Form LM-2 or T-1 cannot be filed electronically without undue burden or expense. Such written application shall be received at least thirty days prior to the required due date of the report(s). The

written application shall contain the information set forth in paragraph (b).

The application must be mailed to the following address:

U.S. Department of Labor
Employment Standards Administration
Office of Labor-Management Standards
200 Constitution Avenue, NW
Room N-5605
Washington, DC 20210-0001

Questions regarding the application should be directed to the OLMS Division of Interpretations and Standards, which can be reached at the above address, by e-mail at OLMS-Public@dol.gov, by phone at 202-693-0123, or by fax at 202-693-1340.

(b) The request for the continuing hardship exemption shall include, but not be limited to, the following: (1) the justification for the requested time period of the exemption; (2) the burden and expense that the labor organization would incur if it was required to make an electronic submission; and (3) the reasons for not submitting the report(s) electronically. The applicant must specify a time period not to exceed one year.

(c) The continuing hardship exemption shall not be deemed granted until the Department notifies the applicant in writing. If the Department denies the application for an exemption, the labor organization shall file the report(s) in electronic format by the required due date. If the Department determines that the grant of the exemption is appropriate and consistent with the public interest and the protection of union members and so notifies the applicant, the labor organization shall follow the procedures set forth in paragraph (d).

(d) If the request is granted, the labor organization shall submit the report(s) in paper format by the required due date. The filer may be required to submit Form LM-2 or T-1 in electronic format upon the

expiration of the period for which the exemption is granted. Indicate in Item 3 (Amended, Hardship Exempted, or Terminal Report) that the labor organization is filing under the hardship exemption procedures.

Note: *If either the paper filing or the electronic filing is not received in the timeframe specified above, the report will be considered delinquent.*

SPECIAL INSTRUCTIONS FOR SUBMITTING FORMS LM-2 AND T-1 IN PAPER FORMAT:

Those labor organizations that are granted an exemption will be provided with a report package in paper format, which must be completed and filed at the following address:

U.S. Department of Labor
Employment Standards Administration
Office of Labor-Management Standards
200 Constitution Avenue, NW
Room N-5616
Washington, DC 20210-0001

Number of Copies

Complete one of the two blank copies included in the report package; do not use a photocopy of the form. The completed report must be filed with OLMS. A copy should also be maintained in the labor organization's records.

Information Entry

Entries on the report should be typed or clearly printed in black ink. Do not use a pencil or any other color ink.

In all Items and Schedules dealing with monetary values report amounts in dollars only. Do not enter cents. Round cents to the nearest dollar. Enter a single "0" in the boxes for reporting dollars if the labor organization has nothing to report.

Entering Dollars:

\$1,573,844 – do not enter cents

Entering "Yes" or "No"

For items requiring a "Yes" or "No" answer, enter an "X" in the appropriate box. Do not use check marks or other marks.

Schedules 1 Through 20 Continuation Pages

If the union is completing the report in paper format and there is not enough space to report all the required information and amounts in Schedules 1 through 20, use the preprinted continuation pages included in the report package. More copies of these pages may be ordered from any OLMS office. For Schedules 14 through 19, multiple copies of the Initial Itemization Page and the Continuation Itemization Page are included in the report package. More copies of these pages may also be ordered from any OLMS office.

Enter the requested identifying information at the top of each continuation page. Totals from any continuation pages must be entered on the line provided in the schedules.

Additional Pages for Item 69

Some of the items on the report require that further details be provided in Item 69 (Additional Information). If there is not enough space in Item 69, enter the additional information on a separate letter-size (8 ½ x 11) page(s), giving the number of the item to which the information applies. At the top of each attached page clearly enter the name of the labor organization, its 6-digit file number as reported in Item 1 (File Number), and the ending date of the reporting period as reported on the

second line of Item 2 (Period Covered), the page number for each additional page, and the total number of additional pages attached.

V. PUBLIC DISCLOSURE

The LMRDA requires that the Department make labor organization financial reports available for inspection by the public. Reports may be viewed and downloaded from the OLMS Web site at <http://www.union-reports.dol.gov>. Copies of reports and union constitutions and bylaws can also be ordered at the same Web site. Reports may also be examined and copies purchased at the OLMS Public Disclosure Room at the following address:

U.S. Department of Labor
Employment Standards Administration
Office of Labor-Management Standards
200 Constitution Avenue, NW
Room N-5608
Washington, DC 20210-0001

VI. OFFICER RESPONSIBILITIES AND PENALTIES

The president and treasurer or the corresponding principal officers of the labor organization required to sign Form LM-2 are personally responsible for its filing and accuracy. Under the LMRDA, officers are subject to criminal penalties for willful failure to file a required report and for false reporting. False reporting includes making any false statement or misrepresentation of a material fact while knowing it to be false, or for knowingly failing to disclose a material fact in a required report or in the information required to be contained in it or in any information required to be submitted with it.

The reporting labor organization and the officers required to sign Form LM-2 are also subject to civil prosecution for violations of the filing requirements. Section 210 of the LMRDA (29 U.S.C. 440) provides that "whenever it shall

appear that any person has violated or is about to violate any of the provisions of this title, the Secretary may bring a civil action for such relief (including injunctions) as may be appropriate."

Under the CSRA and FSA and implementing regulations, false reporting and failure to report may result in administrative enforcement action and litigation. The officers responsible for signing Form LM-2 are also subject to criminal penalties for false reporting and perjury under Sections 1001 of Title 18 and 1746 of Title 28 of the United States Code.

VII. RECORDKEEPING

The officers required to file Form LM-2 are responsible for maintaining records that will provide in sufficient detail the information and data necessary to verify the accuracy and completeness of the report. The records must be kept for at least 5 years after the date the report is filed. Any record necessary to verify, explain or clarify the report must be retained, including, but not limited to, vouchers, worksheets, receipts, applicable resolutions, and any electronic documents, including recordkeeping software, used to complete, read, and file the report.

VIII. FUNDS TO BE REPORTED

The labor organization must report financial information on Form LM-2 for all funds of the labor organization. Include any special purpose funds or accounts, such as strike funds, vacation funds, and scholarship funds even if they are not part of the labor organization's general treasury.

The labor organization is required to report information about any trust in which it is interested on the Form T-1. See Sections X (Trusts In Which A Labor Organization Is Interested).

SPECIAL INSTRUCTIONS FOR CERTAIN ORGANIZATIONS

IX. LABOR ORGANIZATIONS IN TRUSTEESHIP

Any labor organization that has placed a subordinate labor organization in trusteeship is responsible for filing the subordinate's annual financial report. A trusteeship is defined in section 3(h) of the LMRDA (29 U.S.C. 402) as "any receivership, trusteeship, or other method of supervision or control whereby a labor organization suspends the autonomy otherwise available to a subordinate body under its constitution or bylaws."

Annual financial reports filed for any labor organization in trusteeship must be filed on Form LM-2. The report must be signed by the president and treasurer or corresponding principal officers of the labor organization that imposed the trusteeship and by the trustees of the subordinate labor organization. Trustees must sign and date Form LM-2 in the space below the officers' signatures and telephone numbers in Items 70 and 71 (Signatures).

X. TRUSTS IN WHICH A LABOR ORGANIZATION IS INTERESTED

The labor organization must disclose assets, liabilities, receipts, and disbursements of a significant trust in which the labor organization is interested.

A trust in which a labor organization is interested is defined in Section 3(l) of the LMRDA (29 U.S.C. 402(l)) as

...a trust or other fund or organization (1) which was created or established by a labor organization, or one or more of the trustees or one or more members of the governing body of which is selected or appointed by a labor

organization, and (2) a primary purpose of which is to provide benefits for the members of such labor organization or their beneficiaries.

The definition of a trust in which a labor organization is interested may include, but is not limited to, joint funds administered by a union and an employer pursuant to a collective bargaining agreement, educational or training institutions, banks or credit unions created for the benefit of union members, and redevelopment or investment groups established by the union for the benefit of its members. The determination whether a particular entity is a trust in which a labor organization is interested must be based on the facts in each case. A trust will be considered significant, and therefore must be reported on Form T-1, if (1) it had annual receipts of \$250,000 or more during its most recent fiscal year, and (2) the labor organization's financial contribution to the trust or the contribution made on the labor organization's behalf, or as a result of a negotiated agreement to which the labor organization is a party, is \$10,000 or more annually.

If a trust has annual receipts of less than \$250,000 or if the labor organization's financial contribution to a trust that has annual receipts of \$250,000 or more, or the contribution made on the labor organization's behalf, or as a result of a negotiated agreement to which the labor organization is a party, is less than \$10,000 annually, the labor organization need only report the existence of the trust and the amount of the contribution. This information should be reported in Item 69 as required by the instructions for Item 10 and, if the contribution was made by the labor organization itself, in the appropriate disbursement item in Statement B.

If the labor organization's financial contribution to a trust, or the contribution made on the labor organization's behalf, or as a result of a negotiated agreement to which the labor organization is a party, is

\$10,000 or more annually, the labor organization must file a Form T-1 to report all of the assets, liabilities, receipts, and disbursements of the trust and other information about the trust.

No Form T-1 should be filed for any labor organization that already files a Form LM-2, LM-3, or LM-4, nor should a report be filed for any entity that is expressly exempted from reporting in the Act. No separate report need be filed for Political Action Committee (PAC) funds if publicly available reports on the PAC funds are filed with a Federal or state agency, or for a political organization for which reports are filed with the Internal Revenue Service pursuant to 26 U.S.C. 527. No separate report is required for an employee benefit plan that filed a complete and timely annual report pursuant to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 1023, 1024(a), and 1030, and 29 C.F.R. 2520.103-1, for a plan year ending during the reporting period of the union (a notice filed with the Secretary of Labor pursuant to an exemption from reporting and disclosure does not constitute a complete annual financial report).

A labor organization may complete only Items 1 through 15 and Items 26-27 (Signatures) of Form T-1 if annual audits prepared according to standards set forth in the Form T-1 instructions are freely available on demand under § 302(c)(5)(B) of the Labor Management Relations Act, 1947 (LMRA), 29 U.S.C. 186(c)(5)(B), and a copy of the audit is filed with the Form T-1.

Form T-1 must be filed within 90 days after the end of the union's fiscal year. If the trust's fiscal year is not the same as the labor organization's fiscal year, state when the trust's fiscal year ends in Item 69 as required by the instructions for Item 10. See Instructions for Form T-1, Trust Annual Report.

Questions regarding these reporting requirements should be directed to the

OLMS Division of Interpretations and Standards, which can be reached at the above address, by email at OLMS-Public@dol.gov, by phone at 202-693-0123 or by fax at 202-693-1340. The Department will publish additional information giving further practical guidance on the reporting requirements for trusts on the OLMS Web site at <http://www.olms.dol.gov>.

Examples of a trust in which a labor organization is interested may include, but are not limited to, the following entities:

Example A: The Building Corporation

– A labor organization creates a corporation which owns the building where the union has its offices. The building corporation must be reported as a trust in which the labor organization is interested.

Example B: The Redevelopment Corporation

– A labor organization creates an entity named the Redevelopment Corporation, or appoints one or more of the members of the governing board of the Corporation, which is established primarily to enable members of the labor organization to obtain low cost housing constructed with Federal Housing and Urban Development (HUD) grants. The Redevelopment Corporation must be reported as a trust in which it is interested. A labor organization that neither participated in the creation of the Corporation, nor appointed members of its governing board, but loaned money to the Corporation to use as matching money for HUD grants need not report the Corporation as a trust in which it is interested.

Example C: The Educational Institute

– Five reporting labor organizations form the Educational Institute to provide educational services primarily for the benefit of their members. Similar services are also provided to the general public. Each labor organization contributes funds to start the Educational Institute, which will then offer various educational programs that will generate revenue. Each labor

organization that participated in forming the Institute, or that appoints a member to its governing body, must report the Educational Institute as a trust in which it is interested.

Example D: The Bank

– A reporting labor organization forms a bank that is chartered and licensed under federal and state laws, or selects a member of the board of directors of a bank that is already in existence, for the purpose of ensuring that banking services are available to members at reasonable cost, or as an investment for the purpose of increasing funds available for union activities for the benefit of union members. Any labor organization that participated in forming the bank, or that appoints a member to the bank's board of directors, must report the bank as a trust in which it has an interest.

Example E: Joint Funds

– A reporting labor organization that forms a "joint fund" with a large national manufacturer to offer a variety of training and jobs skills programs for members of the labor organization, or appoints a member to the governing body of such a fund, must report the joint fund as a trust in which the labor organization has an interest.

Example F: Job Targeting Fund

– A reporting labor organization creates an entity for the purpose of making targeted disbursements to increase employment opportunities for its members. The fund must be reported as a trust in which the labor organization is interested.

Example G: 302(c)(5) through (9) Plans

– A reporting labor organization forms a plan permitted under Section 302(c)(5) through (9) of the LMRA (29 U.S.C. 186 (c)(5) through (9)), and files a complete annual financial report as required under ERISA. The labor organization reports only that the plan exists and states where the ERISA annual financial report may be viewed. This information should be reported in Item 69. No Form T-1 need be filed even if the labor organization contributes more than \$10,000 to the plan.

XI. COMPLETING FORM LM-2

INFORMATION ITEMS 1-21

Answer Items 1 through 21 as instructed. Enter an "X" in the appropriate box for those questions requiring a "Yes" or "No" answer; do not leave both boxes blank. Enter a single "0" in the boxes for items requiring a number or dollar amount if there is nothing to report.

1. FILE NUMBER — Enter the 6-digit file number that OLMS assigned to the labor organization. If the labor organization does not have the number on file and cannot obtain the number from prior reports filed with the Department, the number can be obtained from the OLMS Web site at <http://www.union-reports.dol.gov>, or by contacting the nearest OLMS field office listed at the end of these instructions. The labor organization's 6-digit file number must also be entered in the File Number boxes at the top of each page of Form LM-2.

2. PERIOD COVERED — Enter the beginning and ending dates of the period covered by this report. The labor organization's report should never cover more than a 12-month period. For example, if the labor organization's 12-month fiscal year begins on January 1 and ends on December 31, enter these dates as 01/01/20XX and 12/31/20XX. It would be incorrect to enter January 1 of one year through January 1 of the next year.

If the labor organization changed its fiscal year, enter in Item 2 (Period Covered) the ending date for the period of less than 12 months, which is the labor organization's new fiscal year ending date, and report in Item 69 (Additional Information) that the labor organization changed its fiscal year. For example, if the labor organization's fiscal year ending date changes from June 30 to December 31, a report must be filed for the partial year from July 1 to

December 31. Thereafter, the labor organization's annual report should cover a full 12-month period from January 1 to December 31.

3. AMENDED, HARDSHIP EXEMPTED, OR TERMINAL REPORT — Do not complete this item unless this report is an amended, hardship exempted, or terminal report. Enter an "X" in the box in Item 3(a) if the labor organization is filing an amended report correcting a previously filed report. Enter an "X" in the box in Item 3(b) if the labor organization is filing under the hardship exemption procedures defined in Section IV. Enter an "X" in the box in Item 3(c) if the labor organization has gone out of business by disbanding, merging into another labor organization, or being merged and consolidated with one or more labor organizations to form a new labor organization, and this is the labor organization's terminal report. Be sure the date the labor organization ceased to exist is entered in Item 2 (Period Covered) after the word "Through." See Section XII (Labor Organizations That Have Ceased to Exist) of these instructions for more information on filing a terminal report.

4. AFFILIATION OR ORGANIZATION NAME — Enter the name of the national or international labor organization that granted the labor organization a charter. "Affiliates," within the meaning of these instructions, are labor organizations chartered by the same parent body, governed by the same constitution and bylaws, or having the relationship of parent and subordinate. For example, a parent body is an affiliate of all of its subordinate bodies, and all subordinate bodies of the same parent body are affiliates of each other.

If the labor organization has no such affiliation, enter the name of the labor organization as currently identified in the labor organization's constitution and bylaws or other organizational documents.

5. DESIGNATION — Enter the specific designation that is used to identify the

labor organization, such as Local, Lodge, Branch, Joint Board, Joint Council, District Council, etc.

6. DESIGNATION NUMBER — Enter the number or other identifier, if any, by which the labor organization is known.

7. UNIT NAME — Enter any additional or alternate name by which the labor organization is known, such as "Chicago Area Local."

8. MAILING ADDRESS — Enter the current address where mail is most likely to reach the labor organization as quickly as possible. Be sure to indicate the first and last name of the person, if any, to whom such mail should be sent and include any building and room number.

9. PLACE WHERE RECORDS ARE KEPT — If the records required to be kept by the labor organization to verify this report are kept at the address reported in Item 8 (Mailing Address), or the address on the address label, answer "Yes." If not, answer "No" and provide in Item 69 (Additional Information) the address where the labor organization's records are kept.

10. TRUSTS OR FUNDS — Answer "Yes" to Item 10, if the labor organization has an interest in a trust as defined in 29 U.S.C. 402(l) (see Section X of these Instructions). Provide in Item 69 (Additional Information) the full name, address, and purpose of each trust. Also include in Item 69 the fiscal year ending date for any trust for which a Form T-1 is filed if the trust's fiscal year is different from that of the labor organization. If no Form T-1 is required to be filed on the trust because (1) the trust had annual receipts of less than \$250,000 during the trust's most recent fiscal year or (2) the labor organization's financial contribution to the trust or the contribution made on the labor organization's behalf, or as a result of a negotiated agreement to which the labor organization is a party, is less than \$10,000, the labor organization should also report the amount of the contribution

in Item 69 and, if the contribution was made by the labor organization itself, in the appropriate disbursement item in Statement B. Additionally, if no Form T-1 is filed because financial information is already available as a result of the disclosure requirements of another Federal statute, list the name of any government agency, such as the Employee Benefits Security Administration (EBSA) of the Department of Labor, with which the trust files a publicly available report, and the relevant file number of the trust, or otherwise indicate where the relevant report may be viewed. See Instructions for Form T-1, Trust Annual Report, for guidance on reporting the assets, liabilities, receipts, disbursements, and other information about these entities.

11. POLITICAL ACTION COMMITTEE FUNDS — If the labor organization answered "Yes" to Item 11, provide in Item 69 (Additional Information) the full name of each separate political action committee (PAC) and list the name of any government agency, such as the Federal Election Commission or a state agency, with which the PAC has filed a publicly available report, and the relevant file number of the PAC. (PAC funds kept separate from the labor organization's treasury need not be included in the labor organization's Form LM-2 if publicly available reports on the PAC funds are filed with a Federal or state agency.)

12. AUDIT OR REVIEW OF BOOKS AND RECORDS — If the labor organization answered "Yes" to Item 12, indicate in Item 69 (Additional Information) whether the audit or review was performed by an outside accountant or a parent body auditor/representative. If an outside accountant performed the audit or review, provide the name of the accountant or accounting firm. Report any audit or review by an outside accountant or a parent body auditor/representative in which the labor organization's books and records were examined to verify their accuracy and validity. The term "audit or review" does not include providing

assistance in developing a bookkeeping system, providing routine bookkeeping services, or merely compiling information from the labor organization's books and records to prepare Form LM-2 or other financial reports. Also, do not answer "Yes" to Item 12 if an audit committee or trustees of the labor organization performed the audit or review.

13. LOSSES OR SHORTAGES —

Answer "Yes" to Item 13 if the labor organization experienced a loss, shortage, or other discrepancy in its finances during the period covered. Describe the loss or shortage in detail in Item 69 (Additional Information), including such information as the amount of the loss or shortage of funds or a description of the property that was lost, how it was lost, and to what extent, if any, there has been an agreement to make restitution or any recovery by means of repayment, fidelity bond, insurance, or other means.

14. FIDELITY BOND — Enter the maximum amount recoverable for a loss caused by any officer, employee, or agent of the labor organization who handled the labor organization's funds. Enter "0" if the labor organization was not covered by a fidelity bond during the reporting period.

NOTE: *If a labor organization has property and annual financial receipts that totaled \$5,000 or more, each of the labor organization's officers, employees, and agents who handles funds or other property of the labor organization must be bonded. The amount of the bond must be at least 10% of the value of the funds handled by the individual during the last reporting period, up to a maximum bond of \$500,000. The bond must be obtained from a surety company approved by the Secretary of the Treasury. If you have any questions or need more information about bonding requirements, contact the nearest OLMS field office listed at the end of these instructions.*

15. ACQUISITION OR DISPOSITION OF ASSETS — If the labor organization

answered "Yes" to Item 15, describe in Item 69 (Additional Information) the manner in which the labor organization acquired or disposed of the asset(s), such as donating office furniture or equipment to charitable organizations, trading in assets, writing off a receivable, or giving away other tangible or intangible property of the labor organization. Include the type of asset, its value, and the identity of the recipient or donor, if any. Also report in Item 69 the cost or other basis at which any acquired assets were entered on the labor organization's books or the cost or other basis at which any assets disposed of were carried on the labor organization's books. For example, assets may be entered on the labor organization's books at cost and carried at that value; carried at cost less accumulated depreciation; or carried at scrap value or other nominal value because the assets were fully depreciated or were expensed when purchased (that is, the cost was charged to current expenses rather than entered on the books and periodically depreciated).

For assets that were traded in, enter in Item 69 the cost, book value, and trade-in allowance.

16. PLEDGED OR ENCUMBERED ASSETS —

If the labor organization answered "Yes" to Item 16, identify in Item 69 (Additional Information) all of the labor organization's assets pledged or encumbered in any way (such as those pledged as collateral for a loan) at the end of the reporting period. Also report in Item 69 their fair market value, and provide details of transactions related to the encumbrance.

17. CONTINGENT LIABILITIES — If the labor organization answered "Yes" to Item 17, describe in Item 69 (Additional Information) the transactions or events resulting in the contingent liabilities and include the identity of the claimant or creditor. Contingent liabilities are potential obligations that may or may not develop into actual liabilities in the future.

Examples of a contingent liability are a loan co-signed by the labor organization, or a pending lawsuit that could result in the labor organization being ordered to pay damages or make other payments.

A pending administrative or judicial action is considered a contingent liability that must be reported in Item 17 if, in the opinion of legal counsel, it is reasonably possible that the labor organization will be required to make some payment. Such administrative or judicial actions must be reported as contingent liabilities regardless of whether or not the possible losses would have a materially adverse effect on the labor organization's financial condition. List in Item 69 each administrative or judicial action, including the case number, court, and caption.

18. CHANGES IN CONSTITUTION AND BYLAWS OR PRACTICES AND PROCEDURES

the categories provided.

NOTE: A "direct disbursement" to an officer is a payment made by the labor organization to the officer in the form of cash, property, goods, services, or other things of value.

An "indirect disbursement" to an officer is a payment made by the labor organization to another party for cash, property, goods, services, or other things of value received by or on behalf of the officer. "On behalf of the officer" refers to a payment received by a party other than the officer or the labor organization for the personal interest or benefit of the officer. Such payments include those made through a credit arrangement under which charges are made to the account of the labor organization and are paid by the labor organization. For example, when a union, through its credit arrangements, is billed directly and pays the hotel bills of an officer who, during his workweek, resides at a hotel in the city where the union headquarters is located away from his legal residence in another city, the payments must be reported as disbursements to the officer.

Column (A): Enter in (A) the last name, first name, and middle initial of each person who held office in the labor organization at any time during the reporting period. Include all the labor organization's officers whether or not any salary or other disbursements were made to them or on their behalf by the labor organization. "Officer" is defined in section 3(n) of the LMRDA (29 U.S.C. 402) as "any constitutional officer, any person authorized to perform the functions of president, vice president, secretary, treasurer, or other executive functions of a labor organization, and any member of its executive board or similar governing body."

Column (B): Enter in (B) the title of the position each officer listed held during the reporting period. If an officer held more than one position during the reporting

period, list each position and the dates on which the officer held the position.

Column (C): Enter in (C) the status of each officer: "New" for a new officer who took office during the reporting period; "Past" for a past officer who was not in office at the end of the reporting period; or "Continuing" for a continuing officer who was in office before the reporting period and was still in office at the end of the reporting period. If any officer was not elected at a regular election in accordance with the labor organization's constitution and bylaws or other governing documents on file with OLMS, explain the manner in which the officer was chosen in Item 69 (Additional Information).

Column (D): Enter the gross salary of each officer (before tax withholdings and other payroll deductions). Include disbursements for "lost time" or time devoted to union activities.

Column (E): Enter the total allowances made by direct and indirect disbursements to each officer on a daily, weekly, monthly, or other periodic basis. Do not include allowances paid on the basis of mileage or meals which must be reported in Column (F) or (G), as applicable.

Column (F): Enter all direct and indirect disbursements to each officer that were necessary for conducting official business of the labor organization, except salaries or allowances which must be reported in Columns (D) and (E), respectively.

Examples of disbursements to be reported in Column (F) include: all expenses that were reimbursed directly to an officer, meal allowances and mileage allowances, expenses for officers' meals and entertainment, and various goods and services furnished to officers but charged to the labor organization. Such disbursements should be included in Column (F) only if they were necessary for conducting official business; otherwise, report them in Column (G). Also include in Column (F) travel advances that are not

considered loans as explained in the instructions for Schedule 2 (Loans Receivable).

Do not report the following disbursements in Schedule 11:

- Reimbursements to an officer for the purchase of investments or fixed assets, such as reimbursing an officer for a file cabinet purchased for office use, which must be reported in Schedule 4 (Purchase of Investments and Fixed Assets) and explained in Item 69 (Additional Information);
- Indirect disbursements for temporary lodging (room rent charges only) or transportation by public carrier necessary for conducting official business while the officer is in travel status away from his or her home and principal place of employment with the labor organization if payment is made by the labor organization directly to the provider or through a credit arrangement and these disbursements are reported in disbursement Schedules 15 through 19;
- Disbursements made by the labor organization to someone other than an officer as a result of transactions arranged by an officer in which property, goods, services, or other things of value were received by or on behalf of the labor organization rather than the officer, such as rental of offices and meeting rooms, purchase of office supplies, refreshments and other expenses of membership banquets or meetings, and food and refreshments for the entertainment of groups other than the officers and membership on official business;
- Office supplies, equipment, and facilities furnished to officers by the labor organization for use in conducting official business; and
- Maintenance and operating costs of the labor organization's assets, including buildings, office furniture, and office

equipment; however, see "Special Rules for Automobiles" below.

Column (G): Enter all other direct and indirect disbursements to each officer. Include all disbursements for which cash, property, goods, services, or other things of value were received by or on behalf of each officer and were essentially for the personal benefit of the officer and not necessary for conducting official business of the labor organization.

Include in Column (G) all disbursements for transportation by public carrier between the officer's home and place of employment or for other transportation not involving the conduct of official business. Also, include the operating and maintenance costs of all the labor organization's assets (automobiles, etc.) furnished to officers essentially for the officers' personal use rather than for use in conducting official business.

Do not include in Column (G) loans to officers, which must be reported in Schedule 2 (Loans Receivable) or disbursements for benefits to officers, which must be reported in disbursement Schedule 20 (Benefits).

Column (H): Add Columns (D) through (G) of each Line and enter the totals in Column (H). The totals in Column (H) must be allocated to Schedules 15 through 19 according to the instructions for those schedules.

Enter on Line 6 the totals from any continuation pages for Schedule 11.

Enter the totals of lines 1 through 6 for each Column (D) through (H) on Line 7.

Enter on Line 8 the total amount of withheld taxes, payroll deductions, and all other deductions. Subtract Line 8 from Line 7, Column (H), and enter the difference on Line 9.

Line (I): Enter the estimated percentage of time spent by the officer on activities

that fall within Schedules 15 through 19 in the box next to that schedule. You may round to the nearest 10%. When the time reported by an individual in an activity is less than 5% of his or her total work time, the officer's best estimate to the nearest percentage should be reported rather than rounding to zero. The total must equal 100%. It is understood that these figures may be imprecise. For instance, the president of an intermediate body may spend four months working intensely on a multi-state contract negotiation, two months lobbying against a state referendum, two more months on a contentious organizing drive, and throughout these activities he had to keep up with his other duties as president. The president's good-faith estimate might be to report 50% on Schedule 15 – Representational Activities, 17% on Schedule 16 – Political Activities and Lobbying, 3% on Schedule 17 – Contributions, Gifts, and Grants, and 30% on Schedule 19 – Union Administration. The example is not intended to be a representation of a typical allocation of time but it should be used to help understand the rationale that should be employed when making these determinations.

Using these percentages, aggregate the amount of total disbursements (Column (H)) allocated to each schedule for every officer and report the total on Line 3 of the Detailed Summary Page. It may be helpful to create an intermediate worksheet to sum the salary disbursements for each schedule, but only the totals need to be reported on the Detailed Summary Page.

SPECIAL RULES FOR AUTOMOBILES

Include in Column (G) of Schedule 11 that portion of the operating and maintenance costs of any automobile owned or leased by the labor organization to the extent that the use was for the personal benefit of the officer to whom it was assigned. This portion may be computed on the basis of

the mileage driven on official business compared with the mileage for personal use. The portion not included in Column (G) must be reported in Column (F).

Alternatively, rather than allocating these operating and maintenance costs between Columns (F) and (G), if 50% or more of the officer's use of the vehicle was for official business, the labor organization may enter in Column (F) all disbursements relative to that vehicle with an explanation in Item 69 (Additional Information) indicating that the vehicle was also used part of the time for personal business. Likewise, if less than 50% of the officer's use of the vehicle was for official business, the labor organization may report all disbursements relative to the vehicle in Column (G) with an explanation in Item 69 indicating that the vehicle was also used part of the time on official business.

The amount of decrease in the market value of an automobile used over 50% for the personal benefit of an officer must also be reported in Item 69.

SCHEDULE 12 – DISBURSEMENTS TO EMPLOYEES

— Report all direct and indirect disbursements to employees of the labor organization during the reporting period. Also report the percentage of time spent by each employee in the categories provided.

Include disbursements to individuals other than officers who receive lost time payments even if the labor organization does not otherwise consider them to be employees or does not make any other direct or indirect disbursements to them. The definitions of "direct disbursements" and "indirect disbursements" are the same as the definitions stated above in Schedule 11.

Column (A): Enter the last name, first name, and middle initial of each employee who during the reporting period received more than \$10,000 in gross salaries, allowances, and other direct and indirect

disbursements from the labor organization or from the labor organization and any affiliates and/or trusts of the labor organization. ("Affiliates" means labor organizations chartered by the same parent body, governed by the same constitution and bylaws, or having the relation of parent and subordinate.) The labor organization's report, however, should not include disbursements made by affiliates or trusts but should include only the disbursements made by the labor organization.

Column (B): Enter the position each listed employee held in the labor organization.

Column (C): Enter the name of any affiliate or trust that paid any salaries, allowances, or expenses on behalf of a listed employee.

Columns (D) through (G): To complete Columns (D) through (G), follow the instructions for Columns (D) through (G) of Schedule 11.

Enter on Line 6, Columns (D) through (G) the totals of all gross salaries, allowances, and other disbursements for all employees of the labor organization not required to be listed above.

Enter on Line 7 the totals from any continuation pages for Schedule 12.

Add Columns (D) through (G) for each of Lines 1 through 7 and enter the totals in Column (H). The totals in Column (H) must be allocated to Schedules 15 through 19 in Line (I) by the same process described in Schedule 11. The totals must be reported on Line 4 of the appropriate schedule on the Detailed Summary Page.

Enter the totals of Lines 1 through 7 for each Column (D) through (H) on Line 8.

Enter on Line 9 the total amount of withheld taxes, payroll deductions, and all other deductions. Subtract Line 9 from Line 8, Column (H), and enter the

difference on Line 10.

SCHEDULE 13 – MEMBERSHIP

STATUS INFORMATION— Enter in Column (A) the categories of membership tracked by the reporting labor organization. Define each category of membership in Item 69 (Additional Information). The definition should include a description of the members covered by the category and indicate whether the members pay full dues.

In Column (B) enter the number of members for each of the membership categories listed in Column (A).

Members (Line 8) – Enter the total of all members of the labor organization (Total of Lines 1 through 7). Do not include Agency Fee Payers. Enter the total from line 8 in Item 20 (Number of Members).

Agency Fee Paying Nonmembers (Line 9) – Agency fee paying nonmembers are those who make payments in lieu of dues to the reporting labor organization as a condition of employment under a union security provision in a collective bargaining agreement.

Total Members/Fee Payers (Line 10) – Enter the total of Lines 8 and 9, which will include all members and agency fee payers. The total in Column (B) is not the total number of members of the labor organization.

Enter "Yes" in Column (C) if the category of membership listed in Column (A) is generally eligible to vote in all union elections held by the labor organization. Enter "No" if the category is generally ineligible to vote in some or all elections. Describe in Item 69 (Additional Information) any voting restrictions that apply to a category in Column (A).

SCHEDULES 14 THROUGH 19

Schedules 14 through 19 provide detailed information on the financial operations of the labor organization in categories that

reflect the services provided to union members. Receipts and disbursements are allocated to Schedules 14 through 19 and are either listed as individual entries or as aggregated entries. **Note that before completing the Detailed Summary Page for Schedules 14 through 19, you must complete the itemization pages as described below.**

These schedules will be populated for the filer by the electronic filing software as long as the labor organization uses a properly configured electronic recordkeeping system that is compatible with the software provided by the Department. The system will allocate receipts and disbursements to the proper categories and determine whether a receipt or disbursement will be individually identified or aggregated within the appropriate schedule. Information about the electronic filing software and the technical specifications can be found on the OLMS website at <http://www.olms.dol.gov>.

Allocating Receipts

Each receipt of the labor organization must be allocated to one of the receipt items in Statement B. Some of these items have backup schedules that require more detailed information. If a receipt does not conform to one of the defined items in Statement B it must be included in Schedule 14 (Other Receipts) in which any "major" receipts during the reporting period must be separately identified. A "major" receipt includes: 1) any individual receipt of \$5,000 or more; or 2) total receipts from any single entity or individual that aggregate to \$5,000 or more during the reporting period. All other receipts in this schedule are aggregated. This process is discussed further below.

Allocating Disbursements

Each disbursement of the labor organization must be allocated to one of the disbursement items in Statement B. Some of these items have backup

schedules that require more detailed information. Schedules 15 through 19 reflect various services provided to union members by the union in which all "major" disbursements during the reporting period in the various categories must be separately identified. A "major" disbursement includes: 1) any individual disbursement of \$5,000 or more; or 2) total disbursements to any single entity or individual that aggregate to \$5,000 or more during the reporting period. All other disbursements in these schedules are aggregated.

All disbursements, other than those reported elsewhere in Statement B, must be allocated to Schedules 15 through 19, as appropriate.

Example 1: If the labor organization received a settlement of \$4,999 in a small claims lawsuit, the receipt would not be individually identified, as long as the settlement was the only receipt from the entity or individual during the reporting period. The receipt would be aggregated with other small receipts in Line 3 of Schedule 14 (Other Receipts) on the Detailed Summary Page as discussed below.

Example 2: If the labor organization made three payments of \$1,800 each to an office supplies vendor for office supplies used by employees engaged in contract negotiations during the reporting period, a single disbursement to the vendor of \$5,400 would be listed in Line I on an Initial Itemization Page for that vendor for Schedule 15 (Representational Activities) as discussed below.

Example 3: If a union pays a total of \$5,500 to a printing company during the reporting year and determines that \$5,050 should be allocated to organizing costs, that amount must be identified in an Initial Itemization Page for the printing company for Schedule 15 (Representational Activities). If the remaining \$450 paid to the same printer over the course of the year was attributable to charitable

expenses, that amount will be reported in Line 5 of Schedule 17 (Contributions, Gifts, and Grants) on the Detailed Summary Page but the printer need not be identified as a recipient of any funds expended for Contributions, Gifts, and Grants, since the total paid to the printer during the reporting year for services related to Contributions, Gifts, and Grants did not exceed \$5,000.

Example 4: The labor organization has an ongoing contract with a law firm that provides a wide range of legal services. The labor organization makes a single payment of \$10,000 each month to the law firm. In a particular month the law firm spent 50% of its time on contract negotiation litigation and 50% advising the labor organization regarding, and working for the enactment of, a new Federal law. The labor organization must allocate the payment for that month as two distinct disbursements of \$5,000 each to Schedule 15 (Representational Activities), and Schedule 16 (Political Activities and Lobbying).

Procedures for Completing Schedules 14 Through 19.

Before completing the Detailed Summary Page for Schedules 14 through 19, complete an Initial Itemization Page and a Continuation Itemization Page(s), as necessary, for each payer/payee for whom there is (1) an individual receipt/disbursement of \$5,000 or more or (2) total receipts/disbursements that aggregate to \$5,000 or more during the reporting period. Do not complete an Initial Itemization Page for disbursements to officers or employees because these disbursements are reported in Lines 3 and 4 of the Detailed Summary Page. A separate set of continuation pages must be used for each receipt and disbursement schedule.

An Initial Itemization Page must be completed for each such payee/payer (except payees who are officers or employees of the union). If the union is

using the reporting software provided by the Department, the Initial Itemization Page will expand to fit the number of receipts/disbursements from the payee/payer. If the union is completing the report in paper format and more than one page is needed for a single payee/payer, the Continuation Itemization Page should be used for all subsequent pages.

Enter in Column (A) the full name and business address of the entity or individual from which the receipt was received or to which the disbursement was made. Do not abbreviate the name of the entity or individual. If you do not know and cannot reasonably attain the full address, the city and state are sufficient.

Enter in Column (B) the type of business or job classification of the entity or individual, such as printing company, office supplies vendor, lobbyist, think tank, marketing firm, legal counsel, etc.

Enter in Column (C) the purpose of each individual receipt/disbursement for that payee/payer of \$5,000 or more, which means a brief statement or description of the reason the receipt/disbursement was made. Examples of adequate descriptions include the following: preparing organizing campaign pamphlets, staffing a help desk, opposition research, litigation regarding representation issues, litigation regarding a refusal to bargain charge, grievance arbitration, get-out-the-vote, voter education, advocating or opposing legislation, job retraining, etc.

Enter in Column (D) the date that the receipt/disbursement was made. The date of receipt/disbursement for reporting purposes is the date the labor organization actually received or disbursed the money.

Enter in Column (E) the amount of the receipt/disbursement.

Enter in Line (F) the total of all

transactions listed in Column (E).

Enter in Line (G) the totals from any Continuation Itemization Pages for this payee/payer.

Enter in Line (H) the total of all itemized transactions with this payee/payer (the sum of Lines (F) and (G)).

Enter in Line (I) the total of all non-itemized transactions for the payee/payer (that is, all individual transactions of less than \$5,000 each).

Enter in Line (J) the total of all transactions with the payee/payer for this schedule (the sum of Lines (H) and (I)).

Special Instructions for Reporting Credit Card Disbursements

Disbursements to credit card companies may not be reported as a single disbursement to the credit card company as the vendor. Instead, charges appearing on credit card bills paid during the reporting period must be allocated to the recipient of the payment by the credit card company according to the same process as described above.

The Department recognizes that filers will not always have the same access to information regarding credit card payments as with other transactions. Filers should report all of the information required in the itemization schedules that is available to the union.

For instance, in the case of a credit card transaction for which the receipt(s) and monthly statement(s) do not provide the full legal name of a payee and the union does not have access to any other documents that would contain the information, the union should report the name as it appears on the receipt(s) and statement(s). Similarly, if the receipt(s) and statement(s) do not include a full street address, the union should report as much information as is available and no less than the city and state.

Once these transactions have been incorporated into the union's recordkeeping system they can be treated like any other transaction for purposes of assigning a description and purpose.

In instances when a credit card transaction is canceled and the charge is refunded in whole or part by entry of a credit on the credit card statement, the charge should be treated as a disbursement, and the credit should be treated as a receipt. In reporting a credit of \$5,000 or more as a receipt, Column (C) must indicate that the receipt was in refund of a disbursement, and must identify the disbursement by date and amount.

Special Procedures for Reporting Confidential Information

Filers may use the procedure described below to report the following types of information:

- Information that would identify individuals paid by the union to work in a non-union bargaining unit in order to assist the union in organizing employees, provided that such individuals are not employees of the union who receive more than \$10,000 in the aggregate in the reporting year from the union. Employees receiving more than \$10,000 must be reported on Schedule 12 – Disbursements to Employees;
- Information that would expose the reporting union's prospective organizing strategy. The union must be prepared to demonstrate that disclosure of the information would harm an organizing drive. Absent unusual circumstances information about past organizing drives should not be treated as confidential;
- Information that would provide a tactical advantage to parties with

whom the reporting union or an affiliated union is engaged or will be engaged in contract negotiations. The union must be prepared to demonstrate that disclosure of the information would harm a contract negotiation. Absent unusual circumstances information about past contract negotiations should not be treated as confidential;

- Information pursuant to a settlement that is subject to a confidentiality agreement, or that the union is otherwise prohibited by law from disclosing; and,
- Information in those situations where disclosure would endanger the health or safety of an individual.

With respect to these specific types of information, if the reporting union can demonstrate that itemized disclosure of a specific major receipt or disbursement, or aggregated receipt or disbursement would be adverse to the union's legitimate interests, the union may include the receipt or disbursement in Line 3 of Summary Schedule 14 (Other Receipts) or in Line 5 of Summary Schedules 15 (Representational Activities) or 19 (Union Administration). In Item 69 (Additional Information) the union must identify each schedule from which any itemized receipts or disbursements were excluded because of an asserted legitimate interest in confidentiality based on one of the first three reasons listed above. No notation need be made for exclusion of information disclosure of which is prohibited by law or that would endanger the health or safety of an individual. The notation must describe the general types of information that were omitted from the schedule, but the name of the payer/payee, date, and amount of the transaction(s) is not required. This procedure may not be used for Schedules 16 through 18.

A union member, however, has the

statutory right "to examine any books, records, and accounts necessary to verify" the union's financial report if the member can establish "just cause" for access to the information. 29 U.S.C. 431(c); 29 U.S.C. CFR 403.8 (2002). Any exclusion of itemized receipts or disbursements from Schedules 14, 15, or 19 for one of the first three reasons listed above would constitute a *per se* demonstration of "just cause" for purposes of this Act.

Consequently, any union member (and the Department), upon request, has the right to review the undisclosed information that otherwise would have appeared in the applicable schedule if the union withholds the information in order to protect confidentiality interests. Exclusion of information disclosure of which is prohibited by law or that would endanger the health or safety of an individual creates no *per se* demonstration of "just cause."

Procedures for Completing the Detailed Summary Page

The Detailed Summary Page is used to summarize Schedules 14 through 19.

For Summary Schedule 14 (Other Receipts) enter in Line 1 the total of all itemized receipts during the reporting period from named payers. This is the sum of the amounts entered in Line (H) on all Initial Itemization Pages for the schedule.

Enter in Line 2 the total of all non-itemized receipts from named payers. This is the sum of the amounts entered in Line (I) on all Initial Itemization Pages for the schedule.

Enter in Line 3 the total of all other receipts during the reporting period relating to the schedule. This is the total from your organization's books of all receipts during the reporting period relating to this schedule for payers who did not have a single receipt of \$5,000 or more or receipts that aggregated \$5,000 or more.

Enter in Line 4 the total of Lines 1 through 3. Forward this total to Item 48 of Statement B.

For Summary Schedules 15 – 19 enter in Line 1 the total of all itemized disbursements during the reporting period to named vendors. This is the sum of the amounts entered in Line (H) on all Initial Itemization Pages for the schedule.

Enter in Line 2 the total of all non-itemized disbursements to named vendors. This is the sum of the amounts entered in Line (I) on all Initial Itemization Pages for the schedule.

Enter in Line 3 the total of all disbursements to officers allocated to the schedule. This is the sum of the amounts that correspond to the percentages entered in Line (I) of Schedule 11.

Enter in Line 4 the total of all disbursements to employees allocated to the schedule. This is the sum of the amounts that correspond to the percentages entered in Line (I) of Schedule 12.

Enter in Line 5 the total of all other disbursements during the reporting period relating to the schedule. This is the total from your organization's books of all disbursements during the reporting period relating to this schedule for payees who did not have a single disbursement of \$5,000 or more or disbursements that aggregated \$5,000 or more.

Enter in Line 6 the total of Lines 1 through 5. Forward this total to the appropriate line item of Statement B.

For example, if in Schedule 15 (Representational Activities) a labor organization has \$200,000 in itemized disbursements of \$5,000 or more to vendors, \$35,000 in non-itemized disbursements of less than \$5,000 each to those vendors, \$100,000 in salary disbursements to officers, \$50,000 in

salary disbursements to employees, and \$7,000 in disbursements to vendors who did not receive a major disbursement for representational activities, then the labor organization will enter \$200,000 in Line 1, \$35,000 in Line 2, \$100,000 in Line 3, \$50,000 in Line 4, and \$7,000 in Line 5 of Schedule 15 on the Detailed Summary Page. The total of Lines 1 through 5 is \$392,000, which is entered in Line 6 of the summary schedule and Item 50 (Representational Activities) of Statement B.

SCHEDULE 14 – OTHER RECEIPTS —

Report the labor organization's receipts from all sources during the reporting period, other than those that must be reported elsewhere in Statement B, such as reimbursements from officers and employees for excess expense payments or travel advances not reported as loans in Schedule 2 (Loans Receivable); receipts from fundraising activities such as raffles, bingo games, and dances; funds received from a parent body, other unions, or the public for strike fund assistance; and receipts from another labor organization which merged into the labor organization.

For all major receipts in this category:

Enter in Column (A) of an Initial Itemization Page the full name and business address of the entity or individual from which the union received \$5,000 or more in Other Receipts during the reporting period. Do not abbreviate the name of the entity or individual. If you do not know and cannot reasonably obtain the full address of the entity or individual, the city and state are sufficient.

Enter in Column (B) the type of business or job classification of the entity or individual from which the union received \$5,000 or more in Other Receipts during the reporting period.

Enter in Column (C) the purpose of each individual receipt of \$5,000 or more from the payer in sufficient detail to determine

why the receipt cannot be allocated to another schedule.

Enter in Column (D) the date that the receipt of \$5,000 or more was received. The date of receipt for reporting purposes is the date the labor organization actually received the money.

Enter in Column (E) the amount of the receipt of \$5,000 or more.

Enter in Line (F) the total of all transactions listed in Column (E).

Enter in Line (G) the totals from any Continuation Itemization Pages for this payer.

Enter in Line (H) the total of all itemized receipts from this payer (the sum of Lines (F) and (G)).

Enter in Line (I) the total of all non-itemized receipts from this payer (that is, all individual receipts of less than \$5,000 each).

Enter in Line (J) the total of all transactions with the payer for this schedule (the sum of Lines (H) and (I)).

An Initial Itemization Page must be completed for each payer. Only one payer should be reported per page. If the Initial Itemization Page does not provide enough space, the Continuation Itemization Page(s) should be used to report additional receipts from the payer.

Add the total amount of itemized receipts from named vendors (the sum of the amounts entered in Line (H) on all Initial Itemization Pages for Schedule 14) and enter the total on Line 1 of Summary Schedule 14 on the Detailed Summary Page. Add the total amount of non-itemized receipts from named vendors (the sum of the amounts entered in Line (I) on all Initial Itemization Pages for Schedule 14) and enter the total on Line 2 of Summary Schedule 14. Enter the total amount of all other receipts relating to this

schedule from other payers during the reporting period on Line 3 of Summary Schedule 14. This is the total from your organization's books of all receipts relating to this schedule from payers who did not provide a single receipt of \$5,000 or more or receipts that aggregated \$5,000 or more. Add Lines 1 through 3 and enter the total on Line 4 of Summary Schedule 14 and in Item 48 (Other Receipts) of Statement B.

SCHEDULE 15 – REPRESENTATIONAL ACTIVITIES

– Report the labor organization's direct and indirect disbursements to all entities and individuals during the reporting period associated with preparation for, and participation in, the negotiation of collective bargaining agreements and the administration and enforcement of the agreements made by the labor organization. Do not include strike benefits that must be reported in Item 57 (Strike Benefits) of Statement B. The union must also report disbursements associated with efforts to become the exclusive bargaining representative for any unit of employees, or to keep from losing a unit in a decertification election or to another labor organization, or to recruit new members.

For all major disbursements in this category:

Enter in Column (A) of an Initial Itemization Page the full name and business address of the entity or individual to which the disbursement was made. Do not abbreviate the name of the entity or individual. If you do not know and cannot reasonably obtain the full address of the entity or individual, the city and state are sufficient.

Enter in Column (B) the type of business or job classification of the entity or individual to which the union disbursed \$5,000 or more in Representational Activities during the reporting period, such as printing company, office supplies vendor, legal counsel, etc.

Enter in Column (C) the purpose of the disbursement of \$5,000 or more, which means a brief statement or description of the reason the disbursement was made. Examples of adequate descriptions include the following: contract negotiation, grievance arbitration, litigation regarding the interpretation of a collective bargaining agreement, preparing organizing campaign pamphlets, staffing a help desk, opposition research, litigation regarding representation issues, litigation regarding a refusal to bargain, etc. Neither the name of the employer nor the specific bargaining unit that is the subject of the organizing activity need be identified.

Enter in Column (D) the date that the disbursement of \$5,000 or more was made. The date of disbursement for reporting purposes is the date the labor organization actually disbursed the money.

Enter in Column (E) the amount of the disbursement of \$5,000 or more.

Enter in Line (F) the total of all disbursements listed in Column (E).

Enter in Line (G) the totals from any Continuation Itemization Pages for this payee.

Enter in Line (H) the total of all itemized disbursements to this payee (the sum of Lines (F) and (G)).

Enter in Line (I) the total of all non-itemized disbursements to this payee (that is, all individual disbursements of less than \$5,000 each).

Enter in Line (J) the total of all transactions with this payee for this schedule (the sum of Lines (H) and (I)).

An Initial Itemization Page must be completed for each payee. Only one payee should be reported per page. If the Initial Itemization Page does not provide enough space, the Continuation

Itemization Page(s) should be used to report additional disbursements to the payee.

Add the total amount of itemized disbursements to named vendors (the sum of the amounts entered in Line (H) on all Initial Itemization Pages for Schedule 15) and enter the total on Line 1 of Summary Schedule 15 on the Detailed Summary Page. Add the total amount of non-itemized disbursements to named vendors (the sum of the amounts entered in Line (I) on all Initial Itemization Pages for Schedule 15) and enter the total on Line 2 of Summary Schedule 15. STATEMENT B RECEIPTS AND DISBURSEMENTS

Under Statement B, receipts must be recorded when money is actually received by the labor organization and disbursements must be recorded when money is actually paid out by the labor organization.

The purpose of Statement B is to report the flow of cash in and out of the labor organization during the reporting period. Transfers between separate bank accounts or between special funds of the labor organization, such as vacation or strike funds, do not represent the flow of

cash in and out of the labor organization. Therefore, these transfers should not be reported as receipts and disbursements of the labor organization. For example, do not report a transfer of cash from the labor organization's savings account to its checking account. Likewise, the use of funds reported in Item 22 (Cash) of Statement A to purchase certificates of deposit and the redemption of certificates of deposit should not be reported in Statement B.

Since Statement B reports all cash flowing in and out of the labor organization, "netting" is not permitted. "Netting" is the offsetting of receipts against disbursements and reporting only the balance (net) as either a receipt or disbursement. For example, if an officer received \$1,000 from the labor organization for convention expenses, used only \$800 and returned the remaining \$200, the \$1,000 disbursement must be reported in Schedule 11 (All Officers and Disbursements to Officers) and the appropriate disbursement Schedule 15 through 21, and the \$200 receipt must be reported in Schedule 14 (Other Receipts). It would be incorrect to report only an \$800 net disbursement to the officer.

Receipts and disbursements by an agent on behalf of the labor organization are considered receipts and disbursements of the labor organization and must be reported in the same detail as other receipts and disbursements. For example, if the labor organization owns a building managed by a rental agent, the agent's rental receipts and disbursements for expenses must be reported on the labor organization's Form LM-2. Also, if the labor organization's parent body or an intermediate body functions as an agent receiving and disbursing funds of the labor organization to third parties, these receipts and disbursements must be reported on the labor organization's Form LM-2. For example, if a parent body receives the labor organization's dues and makes disbursements from that money to pay the

labor organization's bills (such as payments to an attorney for legal services), those receipts and disbursements must be reported on the labor organization's Form LM-2.

CASH RECEIPTS

36. DUES AND AGENCY FEES – Enter the total dues including regular dues, working dues, etc. received by the labor organization. Include dues received directly by the organization from members, dues received from employers through a checkoff arrangement, and dues transmitted to the organization by a parent body or other affiliate. Report the full dues received, including any portion that will later be transmitted to an intermediate or parent body as per capita tax. Also report in Item 36 payments in lieu of dues received from any nonmember employees as a condition of employment under a union security provision in a collective bargaining agreement.

If an intermediate or parent body receives dues checkoff directly from an employer on behalf of the reporting organization, do not report in Item 36 the portion retained by that organization for per capita tax or other purposes, such as a special assessment. Any amounts retained by the intermediate body or parent body other than per capita tax must be explained in Item 69 (Additional Information). For example, if the intermediate body or parent body retained \$500 of the reporting organization's dues checkoff as payment for supplies purchased from that body by the reporting organization, this should be explained in Item 69, but the \$500 should not be reported as a receipt or disbursement on either organization's Form LM-2. If, however, the intermediate body or parent body disbursed part of the reporting organization's dues checkoff on that organization's behalf, this amount should be included in Item 36 and in the appropriate disbursement item on the reporting organization's Form LM-2. For example, if the intermediate body or

parent body disbursed \$500 of the reporting organization's dues checkoff to an attorney who had provided lobbying services to the reporting organization, this amount should be reported in Item 36 and as a disbursement in Schedule 16 (Political Activities and Lobbying) of the reporting organization's Form LM-2.

Do not report in Item 36 dues that the reporting organization collected on behalf of other organizations for transmittal to them. For example, if the reporting organization received dues from a member of an affiliate who worked in the reporting organization's jurisdiction, the dues collected on the affiliate's behalf must be reported in Item 46.

Do not include dues collected on behalf of subordinate organizations for transmittal to them. Electronically submitted forms must be signed with digital signatures which will automatically enter the date. XII. LABOR ORGANIZATIONS THAT HAVE CEASED TO EXIST

If a labor organization has gone out of existence as a reporting labor organization, the last president and treasurer or the officials responsible for winding up the affairs of the labor organization must file a terminal financial report for the period from the beginning of the fiscal year to the date of termination. A terminal financial report must be filed if the labor organization has gone out of business by disbanding, merging into another organization, or being merged and consolidated with one or more labor organizations to form a new labor organization. A terminal financial report is not required if the labor organization changed its affiliation but continues to function as a separate reporting labor organization.

The terminal financial report must be filed on Form LM-2 if the labor organization filed its previous annual report on Form LM-2 and must be submitted within 30 days after the date of termination.

To complete a terminal report on Form LM-2, follow the instructions in Section XI and, in addition:

- Enter the date the labor organization ceased to exist in Item 2 after the word "Through."
- Enter an "X" in the box in Item 3(c) indicating that the labor organization ceased to exist during the reporting period and that this is the labor organization's terminal Form LM-2.

- Enter "3(c)" in the Item Number column in Item 69 (Additional Information) and provide a detailed statement of the reason the labor organization ceased to exist. Also report in Item 69 plans for the disposition of the labor organization's cash and other assets, if any (for example, transfer of cash and assets to the parent body). Provide the name and address of the person or organization that will retain the records of the terminated organization. If the labor organization merged with another labor organization, report that organization's name, address, and 6-digit file number.
